

## STATEMENT OF THE PROPHETS (PEACE BE UPON THEM) TO BE ALIVE WITH BODIES IN THEIR SHRINES. IN THE LIGHT OF AHADITH

(Tayyab Tahir, Jhelum)

### Abstract:

It is narrated on the authority of Hazrat Aws bin Aws that the Holy Prophet (PBUH) said: Surely Friday is the best day of your days. Adam was born on that day and he died on Pie and the trumpet will be blown on the same day and a loud sound will appear on the same day. So send many blessings on me on this day, for your blessings are offered to me. The companions said: O Messenger of Allah! How will our Durood be presented to you after your demise? While your body has been found in the dust? The Prophet (peace and blessings of Allaah be upon him) said: Verily, Allaah has forbidden the bodies of the Prophets on earth (food or harm of any kind).

Hazrat Abu Darda (may Allah be pleased with him) narrated that the Holy Prophet (peace and blessings of Allah be upon him) said: Send me as many blessings as possible on Friday, this is the day of Mashhood (ie the day of special presence of angels in my presence). On this day angels (especially in my presence often) come, whenever a person sends blessings on me, his blessings are offered to me till he is finished. Hazrat Abu Darda (may Allah be pleased with him) said: I asked: And (O Messenger of Allah!) After your demise (what will happen)? The Prophet (peace and blessings of Allaah be upon him) said: Yes, even after death (it will be presented in the same way because) Allaah has forbidden the eating of the bodies of the Prophets (peace and blessings of Allaah be upon them) for the earth. Therefore, the prophet of the Almighty is alive and he is also given sustenance.

They asked me some things in Jerusalem that I had not stored (in memory), which made me so upset that I had never been disturbed before. Put it in front of me He would tell me (after seeing it) everything I asked about the temple, and I found myself in the group Prophets. And then I saw that Abraham was busy standing and your master (ie the Prophet himself) most resembled him, then the time for prayer came, and I was a prophet to all of them. Ali prayed for him. When I was finished with prayer, a caller said to me: "These are the owners of hell, salute them." So when I turned to them, they greeted me first. "
